Located just a stroll from the Cardinia Lakes Village offering shopping, services, cafe, takeaways, child care/early learning; and longer walks around the Lakes within restful landscaped parklands with pedestrian and cycling pathways, this is a great address to call home. The very family friendly and beautifully appointed brick residence offers five bedrooms/ study- the extra spacious master bedroom complete with a full ensuite bathroom and walk in wardrobe. The secondary bedrooms are serviced by a conveniently located family bathroom which also serves as semi- ensuite to bedroom 3 while bedroom 5 offers the size and flexibility to be used as a large study or home office. There are three separate living areas to spread out and live large - a dedicated home theatre room, a spacious lounge room complete with a decorative gas fireplace and an epic open plan living/ dining area incorporating a professionally appointed kitchen with stone benches, quality stainless steel appliances and double pantry. This living area accesses to a covered alfresco for relaxed outdoor living. This feature packed home includes quality floor coverings, polished hardwood feature floors, ducted heating and evaporative cooling- with the added bonus of four split air-conditioners and solar boosted hot water. Also, under roofline is a generous two car garage with concrete floor, power, workspace, double auto remote door and direct to house access. A fully secure dog friendly backyard and low maintenance landscaping completes this wonderful home. Inspect with absolute confidence.
