5 bedrooms! Yes 5. This home has many configuration styles to meet your needs. Use all 5 bedrooms, or create several family/kids play rooms. Maybe a rumpus room for a pool table?The large home is accommodated by an equally large yard, where the kids can play. Conveniently located within a short stroll to the shops, park, waterfront precinct, childcare centre and school.The kitchen is funky, but functional with its retro style. The bathroom is in good shape and contains a walk-in shower, vanity and toilet. There is also a second separate toilet located off the laundry for convenience.A large 14x4.4m 'Nissan Hut' style shed and an additional 6.4x4m shed. There is a carport to the front, with direct access to the home.Add the sunroom and outdoor entertaining area and there is a spot for everyone.With some work, this large family home could easily be brought back to its grand glory; the ornate ceilings are still there! House and land of this size are rarely seen in the township.Check out the size of this home and how you can make it your own by contacting Adam Hurlle on 0439 545 193.Want to know where your property sits in the market?We'll provide you with a free no obligation market update on your home or investment.
