Located in a quiet and peaceful setting on an expansive 1,012m² allotment (approx), this home basking in natural light and enjoying restful tree-top views delivers the ideal option for young families looking for an affordable start in a desirable location! Freshly painted, the light-filled interior offers a cleverly zoned, family-friendly floor plan that ensures harmonious, relaxed family living. Central to everything is a spacious lounge that sweeps around to an equally generous living-meals area integrating a kitchen featuring solid timber cabinetry and a "stop and prop" breakfast island. These entertainment spaces separate the main bedroom, offering a full ensuite, walk-in robe and direct access to the alfresco from the three remaining bedrooms, which are tucked away in their own wing along with the family bathroom!
