A perfect balance of privacy, comfort and a peaceful natural setting is found at this pretty property. An oasis 4 minutes drive to Shearwater, the elevated home of 4 bedrooms, overlooks the natural parklike grounds, productive vegetable garden and the scenic outlook beyond. This is a place to relax, unwind and enjoy your surrounds with birds and animal life prospering in the grounds. Maximising the sun, the living area and kitchen feature cathedral ceilings, with the wood heater creating a cosy winter retreat. Each room captures an aspect from the grounds with the internal pool room providing an exceptional space for entertaining, creating and unwinding. This is a home that inspires the artist, entices the gardener and soothes the busy. Your inspection is a must to appreciate all that this inviting property has to offer. • 4kw solar system • 2 Daiken reverse cycle air conditioners • Water filter system • Separate garage/workshop • Small dam and electric fenced vegetable garden • Internal inground pool with comprehensive heating and cleaning system
