To be honest you'll have to spend some time and money on this one as well as being a bit creative and handy yourself, but the location is terrific and the price is definitely right. • Ideal corner block with side access to original shed • 2 generous bedrooms plus versatile sunroom suitable as 3rd bedroom • Lounge room and separate dining room featuring wood paneling to the picture rail and polished timber floors. • Original kitchen with chimney still in place • Great location only a short walk to the CBD Don't pay for someone else's renovation, do it yourself and make it your own.
