Be quick to secure this great development opportunity or safe long-term investment in one of Brisbane's fastest growing suburbs. The property is situated up high on an 810sqm low density zoned block with an elevated eastern aspect. The frontage is 20m and depth 40m. It is part of a suburb where many new builds are fetching high \$1m's on 405sqm blocks. The house is a 3 bedroom 1-bathroom timber home that would need immediate work to rent out. The property is located close to bus transport, local schools and parks, and a walk to Logan Rd Big Top Shopping Centre. It's close to freeway for easy access north and south. Make an offer!
