OPEN HOME FOR 11TH NOVEMBER HAS BEEN CANCELLED. Built in 1952, this large, well-loved and well-maintained family home has stood the test of time and is ready for the next owner. UPSTAIRS: There is a lot to love upstairs! Firstly, there's three good-sized bedrooms with robes: the main with ensuite and private deck. The bathroom has had a recent renovation. The lounge room and kitchen are in original condition. There's also a large deck perfect for entertaining! DOWNSTAIRS: You'll find the granny flat here with its own kitchenette and bathroom, as well as the outhouse. The granny flat has separate access from upstairs. There is also a workshop, plenty of storage and a garage. There are two other carports on each side of the home; one of them even has a mechanic's ramp! This home would be perfect for the large family, the renovator who wants to add value or someone who wants to have additional income to offset the mortgage. The location has easy access to the Bruce Highway, and it's within walking distance to Nambour State College and easy driving into the heart of town. Take on this charming part of Nambour history and make your own. Call Keyline Realty on 5441 2511 to Unlock Your Dream today!
