Here's your chance to transform this property into your dream home! Situated on a fully fenced block, this residence offers 3 bedrooms and 1 bathroom, presenting an ideal canvas for renovation enthusiasts. With its side access, wooden floors, and open living area, this home holds immense promise for the next owners.

Key Features:

- Renovation Potential:** This property is a perfect renovation project, allowing you to customize and modernize the home according to your preferences and style.
- Spacious Bedrooms:** Enjoy three bedrooms offering ample space for relaxation and personalization.
- Bathroom with Bath and Shower:** The bathroom features both a bath and shower, adorned with appealing tiles that extend to the ceiling, adding a touch of elegance to the space.
- Functional Layout:** The open living area provides flexibility for various furniture arrangements and entertainment setups, creating a welcoming atmosphere for family and guests.
- Backyard Features:** Outside, discover a greenhouse lean-to and a chicken coop, perfect for those with green thumbs or a penchant for sustainable living.
- Side Access with Double Gates:** The property boasts side access with double gates, offering convenience for parking vehicles, trailers, or boats securely on the premises.
- Underneath Storage:** Beneath the home, there is ample storage space, along with room for a small vehicle, providing practical solutions for organization and functionality.

Additional Information: This property is being sold as-is, where-is, presenting an incredible opportunity for buyers to unleash its full potential. With its desirable features and scope for improvement, it's an investment opportunity not to be missed.
