Hidden up a private leafy driveway is this prime elevated parcel of real estate history in the heart of the CBD. This enormous parcel of land 1563m² has many possibilities - live in and enjoy the private location with sensational water views or subdivide, build townhouses or even a large unit development (STCA). Featuring a beautifully built, quirky 1950's three bedroom home from yesteryear. Step inside and be taken back instantly to The Brady Bunch era. The home is situated at the rear of the block and takes full advantage of the Northerly aspect and beautiful water views across the Bay from the full size front balcony. This unique home is bright and airy with timber flooring, updated kitchen with retro Smeg appliances, ducted air conditioning and separate rumpus room downstairs and a single garage. The property is Zoned R3 Medium Density Residential. The location...well it simply speaks for itself...walk to the many waterfront cafes, restaurants & bars or the beach, leave the car at home and enjoy all the benefits of this coastal CBD lifestyle.
