A great investment opportunity of securing this three-bedroom home in the ever-popular Stirling North. The open-plan kitchen/dining/living area is finished with lovely timber flooring and a cosy breakfast bar and has ample space for more storage or to make the living area a showpiece. The bedrooms are of a reasonable size and the bathroom has a large bath for the little ones. A couple of air conditioners throughout will help you make it through summer and winter but there is also plenty of room to add a wood heater if that takes your fancy. Step outside and the land size is approximately 1,100 square metres with an enormous shed of 20 m x 7 m with power connected and cement flooring and the yard is still big enough for more shedding or even a swimming pool. The neighbourhood is great and close to a primary school. Move quickly to invest now or secure for your own lifestyle.
