This almost brand-new opulent family home is completed to the highest standard. The home is designed with comfort in mind, with all the windows being double pained, there's ducted aircon throughout and ceiling fans. From the moment you walk into this deluxe property you are welcomed by the large foyer and widened hallway, leading you to the heart of the home and on the way you pass the 5th bedroom that can double as an extra rumpus or study. There is also a separate second living area that is perfect for a media room. Bedroom 2 has its own study nook and like all bedrooms in the home, has either a built-in robe or walk in robe, ceiling fan, blinds, and high-quality carpet. This then leads you to the heart of this magnificent home - the Kitchen. Featuring a large elegant 6 burner stainless steel gas stove, walk in pantry, dishwasher, Caesarstone bench tops with breakfast bar, microwave slot and hidden exhaust fan plus stylish modern marble look tiles throughout the open plan kitchen, dining and living areas. Off this area is a powder room leading into bedroom 3, 4 and the bathroom. Bedroom 3 is an amazing space with a huge walk-in robe. The main bathroom features large shower, full sized bath, and feature tiled walls. The Master Bedroom is a relaxing retreat with an extensive walk-in robe leading into the spacious ensuite with wall to wall shower, plus his and her sinks. Full-sized laundry with stone bench top and sliding door access to the side of the house, with easy access to the wall mounted clothesline. Large patio off the living areas with tri sliding doors welcoming you to the outdoor entertainment area and the large, fenced backyard, with plenty of space for the kids to run around. Located in the sort after Plainlands Crossing Estate you have all amenities within walking distance.
