RARE OFFERING ON GOSSE!!!This family home speaks for itself, it has been a haven for the current owners for many years.Solid and secure with architectural design, renovated in the late 90's with a further two living rooms added more recently.With an abundance of storage, a very chic pantry and a space saving European laundry.The garden has been adapted with a growing family and is easy to maintain, the range views are second to none and it is the loveliest place to live.
