Welcome to this fantastic modern home located in one of Penguins most popular and exclusive enclaves. Built in 2012, the home features plenty of warm northern light and sun. There are 3 large sized bedrooms (2 with built-in robes, while the master has an ensuite and walk-in robe). The living area is a great space and flows naturally through the dining area to the well-appointed kitchen. The kitchen is a great workspace for the aspiring chef, featuring plenty of bench space, a breakfast bar, and a corner pantry. It is also a great place from which to supervise the kids playing in the backyard. The main bathroom is also spacious with an extra-large shower and a corner spa bath. There is also a nice deck area for BBQ's and soaking up the sun. The shed is simply awesome! Measuring 10m x 7m, it features a Bellchambers wood heater, a shower, toilet and loads of storage space. This impressive package is completed by the well-fenced and secure backyard that is perfect for kids and pets to play safely in.
