\$2,350,000

This expansive home is nestled in an idyllic bushland setting in the lush surrounds of Davidson. With Garigal National Park on the doorstep, this striking residence combines the tranquillity of its leafy North East aspect with a family-friendly layout that includes generous indoor and outdoor living spaces, appealing to large families looking for space to work, relax and entertain. Key Features:

- Open-plan living flows out to an expansive entertaining overlooking the sun-drenched heated pool and level child friendly yard
- Multiple large living and family rooms throughout
- Centrally located gourmet gas kitchen with casual dining overlooking yard
- 5 bedrooms all with built-in robes, master retreat with ensuite
- 2 modern and stylish bathrooms main with separate bath and shower
- Double garage with internal access plus additional off-street parking
- Air-conditioning and ample storage throughout
- Short drive to Glenrose Shopping Village and Lionel Watts Precinct
- Footsteps to buses and schools
