\$275,000

40 metres wide and 100 metres long - and all of it good Australian land ready to build on! The blocks on Milligans Estate sold out quickly in both stage releases and now is your chance to pounce on the re-sale of this lot. Homes around the site are starting to pop up and yours could be next! It presents as a very evenly graded block at exactly 4000m² (1 acre) with room for your new home, a big shed and a pool. Town water is available for connection from the pit at the front boundary, as is the electricity and phone line. The vendors plans have now changed and they are here to meet the market by pricing the block below the current competition. Don't miss your chance to secure a quality, flood free block at Waterview Heights before someone else sees the value. Please contact our office to discuss and arrange an on-site inspection by calling (02) 6643 4411. Lot & DP info: Lot 22//DP1276427 Size: 4000m² (100m x 40m)
