Quirky, something different and fresh on the rental market, this home is ready for immediate occupancy. Comprising of a number of rooms, officially a 2 bedroom home it has the ability to be used as 4 as they all interconnect. A fully renovated kitchen that has been constructed with ease of living in mind. Great kitchen storage space and dishwasher to complete. Spacious bathroom which includes space for the laundry too. - Two bedrooms with either large walk through robes or use it as a 4 bedroom, robes included.- Spacious kitchen with electric cooking and dishwasher, great cupboard and bench space- Wood fire and split system heating and cooling- Single carport - Full bathroom with laundry and toilet included- Fully fenced and secure- Pets considered upon application.
