\$585,000

This super spacious Cundletown home sits in an extremely popular area and is only a short walk to a convenience store, Primary School, Post Office and the banks of the Manning River. This smartly presented home will appeal to those buyers looking to upsize on their lifestyle while not being tied down to maintaining bigger outdoor areas and lawns. Features include: Low maintenance rendered brick veneer and tiled roof construction offering a modern floor plan. Three large bedrooms, all have fitted robes and television connections. Master suite offers a large ensuite and a huge four door fitted robe. Ducted air conditioning system services the entire home ensuring year-round comfort in all rooms. Excellent study / office / hobby room with storage, ceiling fan and ducted air con. Brand new carpet through the entire home (installed 19th Feb 2024). MASSIVE open plan lounge, kitchen, dining room just perfect for a growing family or retirees alike. Modern kitchen offers a mile of bench space, cabinetry, and dishwasher. Main bathroom sports a shower and separate bathtub. Totally separate toilet with hand basin. Excellent north facing screened in sunroom to the rear of the home offers yet another year round living space. Internal laundry with built in storage. Single car garage with auto door opener and internal access to the home. Tandem length carport provides room for two cars, boat or a pop top caravan. Very handy oversized garden shed offers secure storage. Low maintenance landscaped gardens. Very easy level access in and out of the home making this home a perfect property for those with impaired mobility. If this property catches your interest be sure to arrange for an inspection sooner rather than later, homes like this in Cundletown never last long on the market. Call Troy Loretan on 0400 530269 to arrange for your inspection today.
