Welcome to Fox Chalet, a delightful family retreat nestled amidst the beautiful Warburton landscape. You can almost smell the coffee brewing and wood fired pizzas being made just a stone's throw away at Little Joe's Cafe and Pizzeria. The stunning Yarra River just a little bit further if you're a good throw! This large, tri-level home offers ample space and comfort for the whole family, all set on a sprawling 4404 square metre block of land that affords privacy in a remarkably central Warburton location. As you step inside, the spacious open plan living, kitchen and dining area on the ground floor will immediately capture your attention. There's a warmth, yet openness that only a north facing home with mountain views can provide. Families and friends will enjoy quality time together, before stepping out onto the expansive deck - perfect for entertaining, alfresco dining, or simply relaxing and taking in the serenity of the stunning surroundings. (I'm sure you're going to have a lot of family and friends who want to come and visit you in this enviable home and location) Make your way up to the second floor, and you'll find three generously-sized bedrooms, a central bathroom, and a versatile study space. The crowning glory of this level is undoubtedly the balcony, where you can soak up the breathtaking views over the treetops. Just imagine waking up in the mornings enjoying these views.... If only someone could deliver you a cuppa whilst you're still in bed in the mornings... The third floor houses a fourth bedroom and attic space, offering endless possibilities for additional living or storage options. Throughout the home, ducted heating and split systems ensure your family's year-round comfort, while plenty of off-street parking means there's always space for friends and loved ones to visit. The Fox Chalet is an exceptional opportunity for families seeking a peaceful and spacious haven to call their own. With its impressive land size, versatile living spaces, and breathtaking views, this property truly offers a lifestyle like no other. Don't miss your chance to experience the magic of this Warburton gem for yourself.
