Welcome to 27 Highlands Dr Narangba, a picturesque Queenslander perched on a 993sqm allotment, elevated to catch unrivalled breezes in a quaint street. Look forward to your new lifestyle in this stunning, contemporary home with all the modern appliances and comforts one would want. This home can come fully furnished or unfurnished as the owners are willing to be flexible with their new tenant who loves this home as much as they do. With polished timber floors throughout creating a very homely ambience and the presence of 4 bedrooms, two bathrooms and generous indoor/outdoor integrated living, this home is incredibly versatile. Settle in before the cold truly strikes and enjoy evening hot chocolates by your very own wood fireplace in the main living area, and venture out into the fresh air and soak in incredible views in the morning rays from the front balcony. Having air conditioning and ceiling fans in each of the rooms ensures year-round comfort for families, plus 3 bedrooms are fitted with robes and the master with a private ensuite. The main bathroom is quite the feature with floor to ceiling tiling, a freestanding bath, floating vanity, rainfall shower and storage is not forgotten either! The kitchen is the heart of the home and oozes country charm with a solid hardwood benchtop, large fridge recess, pendant lights & beaming natural light resulting in a feeling of calmness and spaciousness. Prepare meals in this beautiful zone and relish in those fun family dinners around the dining table. Whilst the front balcony is a masterpiece that sings serenity, the rear terrace overlooking the landscaped backyard is a fabulous entertaining space that will ensure vibrant family get togethers are done in style. The huge fully fenced yard with play equipment already installed is a big winner for families with young kids that are happiest outdoors! The laundry is located in the garage which also offers an immense amount of storage; bring in 2 cars, plus benefit from the concrete pad out the front; ample storage for a boat or caravan ensures all boxes are ticked for families that love to get out into sunshine and nature on weekends.
