This gorgeous, near new, high-set home is located on an elevated 809m<sup>2</sup> block on the River Heads peninsula and enjoys water and Island views of K'Gari along with the fresh sea breezes. The custom built home features an enclosed entertaining area on the front deck looking over the sparkling waters to K'Gari, direct access to the kitchen comes via a huge picture window that opens up to a breakfast bar for informal dining. The modern kitchen would suit anyone from the home cook to a budding chef with the Huge 5 burner gas stove and oven. The home features three generous sized bedrooms with ceiling fans, the main bedroom offers direct access to the deck, island views, as well as a stunning ensuite with bath tub, walk in robe and shower. Underneath the home is a large workshop area plus parking for at least three vehicles or boats, the backyard has been fully landscaped with fire pit area and large fruit and veggie garden. Power comes courtesy of 19 solar panels mounted on the roof. There is absolutely nothing to do in this home and is a very regretful sale as the owners are moving interstate. Please contact us today to arrange a private inspection.
