On the high side of the street and boasting an impressive modern fit out, this immaculate clad home is move in ready. The layout includes 3 bedrooms with built-in robes, a modern kitchen with breakfast bar, a sleek modern bathroom, and an open plan living room with gas log fire. There is a large covered entertainment area off the rear of the home, a single garage and workshop, and a single carport. There is also the bonus of 3-phase power to the house. All set on a level 695 square metre block. A wonderful home with a realistic asking price.
