This well sized three bed home sitting on 1123m² is the perfect first home or investment. Railton is a lovely township that is only a short drive to Devonport, Latrobe and Sheffield, this property is situated in the main street of Railton and in walking distance to the local shops and sporting grounds this home could not be better positioned. Three large bedrooms with built in robes, a large lounge room with modern woodheater and large bathroom area with a separate toilet gives this home plenty of scope to be able to renovate or to house a growing family. The Northwest facing kitchen/dining leads to the rear pergola area and is a fantastic location for entertaining in the afternoon sunshine. A spacious outdoor undercover area and good-sized double garage with woodheater are fantastic attributes to this home and allows for the handy man to tinker away on renovations or purely for storage. The property does need a small renovation in the lounge room with the ceiling needing to be re-plastered due to sagging. This property is a fantastic opportunity and will not last long in the current market, if you would like more information or to register your interest please contact the listing agent Kurt Knowles today!
