Beautifully presented, this sweetie has been lovingly cared for and maintained, and is just waiting for its next owners to move in and begin its next chapter. Nestled between the Botanic Gardens and main shopping precinct, on a corner allotment amongst an easy to maintain, mature garden, the home is also a short stroll to the V-line station and schools. The home features 2 good-sized bedrooms, both with built-in-robies, a well-equipped, centrally positioned kitchen that separates 2 generous living spaces, providing plenty of room to entertain, with year-round comfort of ducted heating and cooling. Outdoors there is a carport as well as a single lockup garage, a pergola, lush lawns, established trees and shrubs, and gorgeous flower beds. Perfect for those looking for their first home, a low maintenance investment, or to downsize in a sought-after and quiet location, close to everything that Kyneton has to offer.
