Comfort, a thought-out floorplan, and an ideal location, 27 McCubbin Way is the house to make your home. We present the ideal four-bedroom plus study family home ready for you to add your own touches. As you enter you will be welcomed by the spacious master bedroom, supporting a walk-in robe and ensuite. The three remaining bedrooms, which are all equipped with built-in robes, are established with generous size and cleverly situated throughout the home. Following through, you will notice the numerous living spaces sprinkled on this lot. One of which connects to the heart of the property, the kitchen. Providing a sense of space and comfort the kitchen/meals area opens out into the paved, undercover alfresco set amongst a grassy backyard and established gardens. Offering a peaceful place to entertain family and friends year-round. The spacious floorplan allows you to personalise as you please and to make this home the place to be. With an enticing list of extras including a double garage, ducted heating and split systems cooling, a peaceful and highly sought-after location within walking distance of schools, shops and public transport; this property provides timeless value, and you owe it to yourself to enjoy the pleasures of inspecting.
