We are thrilled to present to you an exquisite opportunity ...First time offered in over 60 years! A stunning 4047m² parcel of land with an original retro dwelling. This unique and rare property is a nature lovers dream with a stunning feeling of tranquility from the beautiful garden and lush greenery surrounding. The original dwelling, brimming with character and potential is waiting for you to restore it to its former glory. Alternatively, this is an amazing opportunity to build your dream oasis on this spectacular parcel of land. So secluded but so convenient with the train station, shops, schools and excellent sporting facilities minutes away. If you are looking for a development property, there is plenty of opportunity here (STCA) given the size of the land and the convenient location. Invest in your future....call us today for more information about this once in a lifetime opportunity.
