I am a huge fan of Parker Ave Surf Beach and I am proud to bring to the market this beautiful family home. With gorgeous Beach and headland views over Surf Beach from the living areas, kitchen and deck and facing north east, this home oozes the coastal lifestyle. With four good sized bedrooms, ensuite off the main and a gorgeous courtyard between the master and living space captures lots of natural light. There is a rumpus downstairs with its own bathroom and the double garage has internal access to the home. A well designed garden surrounds the 729m² block and is a true delight to wonder through. My owners want this sold, so take the opportunity to have a look through today. Or for more information, please contact me for an information sheet.
