Auction - \$830,000 - \$880,000

Hamza Ali proudly presents...It has been called 'home' for generations, providing a space for warmth, familiarity, and comfort. Originally built in the 50's, a series of thoughtful improvements ensure this property will be a beautiful place to call 'home' for many more years to come. The main living zone naturally organises itself around the central gas fireplace, where period details and careful design features indicate balance, symmetry, and focus. An adjoining kitchen has been fabulously finished with stone-capped preparation benches, new appliances, walk-in pantry, and central waterfall island with breakfast bar set over polished hardwood flooring. A second living zone at the rear opens onto a sunset terrace set among open lawns and high garden walls. Accommodation is met by four bedrooms and a pristine central bathroom set below twin skylights. Features include a full-sized laundry with powder room, two tandem garages with internal access, workshop, shed, ducted heating, and split-system A/C. Fawkner is rightly sought-after for its blend of urban amenity and surrounding parkland. Enjoying immediate access to both, this property sits within walking distance of Fawkner station, the Merri Creek, local schools, and Bonwick Street shops. Highlights: Circa 1950's build, East-facing orientation, Polished hardwood flooring, Period detailing throughout, Multiple entertaining zones, Ducted heating & split-system A/C, Living zone with gas fireplace, Front porch and rear terrace, Gourmet kitchen with central island, Dual tandem garages, Workshop and rear shed.
