This neat hardiplank home is located on the western side of town and is in mostly original condition. The home includes lounge room with combustion heater, kitchen with upright stove, dining area, renovated bathroom with walk in shower and separate laundry. There is a 7m x 6m double shed, garden shed and wood shed in the fully fenced easily managed 784m² yard. Although a small block, there is ample room for pets and a playground and has a northern aspect. Needs some work but a good solid starter home. Call to arrange your inspection.
