This home is set high on Robert Street and has stunning views across the town and river. You will enjoy fantastic sunsets every evening here from the large wrap around deck and from the lounge room. There is a large open plan living area that extends onto the undercover entertaining BBQ area. Three bedrooms all with built ins and a study/games room make this an appealing family home. There is a two car garage under the house as well as lots of storage space. We have an excellent tenant in place if you'd like it as an investment property.
