With a pristine brick facade and an impeccable design, this home has been beautifully designed to utilize the available plot of land. Situated on a corner block this property has street access. A private front garden offers a space for family to enjoy. Stepping inside, guests come to the home's capacious open plan kitchen, living and dining area. The living room spreads across the lower level and remains light and welcoming thanks to large windows that grants the room an excellent sense of space. Travelling upstairs, three good size bedroom and central bathroom. Each of the rooms in the home are kept at a comfortable temperature all year round thanks to ducted heating and refrigerated cooling found throughout. Just moments from the Belmore Street shops, restaurants and transport links, this home is in the perfect location. Elgar Park is a ten-minute walk away - perfect for those who lead an active lifestyle and who like to be amongst nature. While Box Hill Central and Westfield Doncaster are short drives away. For those with children, the house is in zone for Birralee Primary School and Koonung Secondary College, placing some of the best education in the state right at your fingertips. A young family, professional couple or investor won't be able to resist this contemporary, light saturated home set on its own title.
