This quality three-bedroom home has the master bedroom privately placed at the rear of the home and boasts a modern ensuite and walk-in robe. Bedrooms 2 and 3 also have built-in robes. The well-designed kitchen offers stone tops, quality cabinets, and stainless steel appliances, and all combine with the open plan dining and living areas which all lead to the fully tiled patio. All the special touches that make this house a home have been covered, with light easy-care tiles throughout, split system air cons, security screens, and quality fixtures and fittings. Double lock up garage. Situated on a low maintenance allotment (not fenced) in a nice quiet area of Edmonton.
