Located in the heart of the lovely community minded rural town of Birchip, this lovely property is close to the medical centre, local amenities, school and sports grounds and ample job opportunities for the family. Walk inside this home and it has such a lovely country rustic feel to it throughout the house whilst also having a modern kitchen with walk in pantry, bathroom, and dining area. Large lounge room with plenty of room to move, reverse cycle air-conditioner along with a wood heater and large window capturing the morning sunlight and a veranda out the front to provide shade on the warmer days. Five lovely bedrooms of various sizes, three with carpet and two with floorboards. Artificial floor boards throughout the kitchen, dining area and laundry. Evaporative air-conditioning throughout the house. Additional shower in the laundry for the larger family. New roof and gutters. Two bay carport on the side of the house and an entertainment area at the back of the property for those who enjoy sitting outside in privacy. Garden shed and storage shed in a large spacious backyard with well maintained fences. Fruit trees for those who love their own home grown fruit.
