This comfortable and low-maintenance family home is situated within the well-established and hugely desirable Brightwater Estate. Featuring a single-story design, the layout encompasses a great family-friendly design with 4 bedrooms, multiple living areas and a central living and dining hub. This space also incorporates a well-equipped kitchen, an island bench, and a breakfast bar. The home offers a choice of four well-sized bedrooms, including a master suite with a walk-in robe and en-suite bathroom. The further three bedrooms are equipped with built-in robes and convenient access to the main bathroom. Adjacent to the garage is a fully-equipped laundry that opens to the clothesline at the side. Notably, the side access enhances the property's versatility, providing a storage solution for boat, jet ski, vehicles, or trailers.
