It is a three bedroom high-set home situated in North Mackay conveniently located close to schools, shops, Goosies, Mt Pleasant Tavern and Mt Pleasant Shopping Centre. The home has a front patio which leads into the spacious lounge area which has a brand new split system air conditioner designed to cool the whole living/dining/kitchen space. The rest of the home has ceiling fans and screens. The kitchen has the original timber cabinets which have stood the test of time and still have life should you choose to keep them and there is a upright stove which is only a couple of years old. The home has easy care vinyl throughout except for the carpet in the living area. The large main bedroom has built in robes and joins the other two bedrooms off the hallway and is conveniently located close to the bathroom and toilet. The bathroom consists of a shower over bath with vanity leaving plenty of room to move. Under the house has ample storage space, car accommodation and the laundry. The beauty of this property is that it has two street frontage and the back yard is accessed from Elizabeth Street meaning you have easy access should you wish to construct a shed, pool etc. Call today to inspect this home or alternatively attend the open house scheduled on Saturday 9/3/24 at 09:45am.
