Affectionately know as "The Runway" by the locals this 15.55 ac (approx.) parcel of land is a great opportunity for anyone looking for a bush escape. Comprising of approx. 6.5 acres of cleared land and the balance bush the block is ideal for camping, bush walking, riding the motorbikes or grazing a few animals. Ag pilots in the area know this property and have used it in the past when contracted in the district with the strip being about 350m long, this could also be an ideal property for private aircraft owners looking for a private strip to purchase. The block is zoned FZ (Farm zone) and therefore there is no planning permit to build a dwelling.
