Expressions of Interest

Here is a great opportunity for a self-sufficient lifestyle. Enough space to run a few cattle, grow your own food and ocean views. Perfect property for the equine enthusiasts with the dressage arena and tack room ready. Plenty of good paddocks, with spring water and a dam supplying ample water. Inside the home is 4 great sized bedrooms, 3 bathrooms and open plan living and dining. All this on just under 15 HA and only minutes from Currie.
