A Designer Dream Opposite Dendy Park

In an unrivalled position opposite Dendy Park, this inspiring four bedroom, two bathroom modern masterpiece celebrates architectural innovation and designer sophistication with single level class. Magnificent with its 3.6m approx. ceilings, park views and textural nuances, this breathtaking residence showcases a stately entrance foyer introducing the mighty ceilings, two park viewing front bedrooms including the impressive main with deep walk in robe and stunning spa ensuite; a captivating living and dining area, two further generous bedrooms (built in robes) spilling out to their own private decked areas; a luxe fully tiled bathroom, glamorous powder room, fitted laundry and a sublime north facing family area with stellar stone kitchen (Smeg/Fotile appliances). Bi folding glass doors spill onto the beautifully sunlit decked rear garden with an undercover alfresco area (bench seating) and drying patch with palm tree shading. Superb with Spotted Gum floorboards, designer lighting and feature tiling, this high end home is enhanced with ducted heating and cooling, a security system, video intercom, ducted vacuum, internal/external speakers, double blinds, an irrigation system and a double auto garage (workshop nook) accessed via Percival Street. In an unmatched locale with the Southland bus on your doorstep, a short stroll to the prized Brighton Secondary College (zoned); spend weekends in the park having picnics, playing tennis and enjoying the café, or tee off at the neighbouring Brighton Golf Club; all while only moments to Patterson Road shops and train, St Leonard's College and Haileybury Brighton.
