SPACIOUS & STYLISH WITH STREET APPEAL

Winner of a Master Builders Award for Builders House of the Year in the year of construction, this home lives up to its own hype. If you are looking for a home that is not like every other house in the street, then this home should definitely be on your Must View list.

As soon as you enter through the double entrance doors you are bound to notice just how open and spacious the living space is, along with the large covered outdoor entertainment area to the rear.

Designed for easy living, the functional kitchen is well planned with everything at hand, there is even plenty of bench top space for the busiest of cooks.

- 3 bedrooms, main a/c

- Lovely master suite complete with walk in robe and ensuite with sliding doors leading to the covered patio.

- Large family kitchen with wide bench tops, pot drawers, gas cooktop, dishwasher, double door pantry and servery to the covered outdoor patio.

- Piped Gas hot water system and bbq

- Fully lined double garage with electric door

- Side entrance to large shed with room to store a boat or caravan as well as a large workshop area

- Beautifully landscaped gardens and lush lawns

- 760m² flat block

Beautifully presented inside and out, this lovely family home is sure to tick many boxes for many buyers. Whether it's the convenient location, the amount of parking space or the side access to the large shed, there is something for everyone with this great home.
