Set on a 556m² corner block is this 3 bedroom brick veneer home which boasts big rooms and high ceilings. Each bedroom has built in robes and a ceiling fan, the lounge has a split system air conditioner, the property is also fitted for ducted AC but it currently doesn't work. With new carpet and freshly polished floorboards throughout, this home is really going to grab some attention. Both the kitchen and bathroom are tidy and suit the character of the home. The laundry has a 2nd toilet and access to the single lock up garage, which just needs the current doors removed to make way for a roller door should you choose to use the garage for a car rather than an extra room. Outside features a fully fenced backyard, established gardens, open pergola area for entertaining plus a garden shed. Only a short stroll to playing fields, walking tracks, school, shops and everything that Glossodia has to offer.
