Presenting itself to the market is this highly attractive 2 acre life style property in the peaceful location of Darlington. Under Township zoning and on 4 titles there is absolute ample opportunity here for a lucky purchaser. Whether it be renovating the current dwelling back to it's former glory being the first 'Barrell making shop in Victoria', starting from scratch and building the ultimate family home on 2 acres, perhaps the savvy investor will take advantage of the multiple titles and build a set of townhouses/units in a rental market yearning for more properties or perhaps the purchaser will jump on the prominent subdivision opportunity!(STCA) .In a peaceful location with a glorious rural backdrop, yet central to Camperdown, Warrnambool, Geelong, Ballarat and Melbourne. Darlington certainly offers a great escape from the hustle and bustle of city life yet still only a short drive from everything. Property to be sold as inspected and opportunity is written all over this one so don't miss a chance to register your interest with the Agent today!
