A rare offering in the tightly held area of Moorland and Stewarts River. A fantastic opportunity for a 1st home buyer or keen renovator. The property offers a huge living area, 2 spacious bedrooms and functional kitchen. The huge attraction is the 4048m² block which is flat and easily accessible, perfect for a big shed. The large fig tree offers plenty of shade and a place to sit and relax. Be quick on this one, we don't see these often.
