Enjoying a pristine central location providing you with amazing convenience this large home offer so much more than what you would think? Walk inside and you have a huge open lounge elegantly enhanced with polish floors thru-out which adjoins into a large formal dining area or second living area the choice is yours! The kitchen is well appointed with ample cupboard & bench space. 3 very spacious bedrooms all with high ceilings + polish floors (one with free standing wardrobe) sparkling central bathroom with wide entrance, plus a generous laundry make up the inside offerings. Outside you have a large rear yard with a terrific undercover area ensuring that entertaining all year round is most definitely a possibility. At the front you have a long drive way which offers accommodation for cars plus an additional carport. Some other features include: ducted heating, wall air conditioning, roller shutters, downlights, plus a centralised location offering you close proximity to schools, public transport, Austin Hospital, Bell Street, and Northland Shopping Centre this home truly emphasises the phrase looks can be deceiving!
