Just 10 minutes from Lilydale and 30 from Launceston's CBD., this home (on approximately 78 acres) has all the attributes for the hobby farmer or simply buyers looking for a serene lifestyle. A verandah shelters the home that has magic views of farmland, some bushland and mountains in the background. Comprising 3 bedrooms, generous sized kitchen, open plan living featuring uninterrupted views from all aspects, separate laundry, bathroom (with a bath and separate shower) and separate toilet. This home could easily be extended or is more than adequate as is. There is a detached double garage with workshop space, barn, stockyards and the land is mostly improved pasture rolling down to permanent Second River frontage. a well designed solar pump system allows the property easy access to water which is a real asset. If you are looking for a beautiful change in your way of living or bringing up your family do not hesitate to make an appointment to view this property!!
