This older style weather board home has been partially renovated with a fresh new look on the outside in a lovely grey colourbond with white trim. The inside has been completely rewired, painted and the floors polished to 4 rooms showcasing the lovely timber floors. There are 3 generous bedrooms, office, sunroom, bathroom, laundry, mudroom, lounge, dining room with new wood heater, and kitchen set on a flat, one acre block with a double lock up garage and workshop. The house yard is fenced separately to the rest of the block providing the perfect environment for a few sheep or a horse. There is also a chicken run at the rear of the property and the lovely basalt soils are great for the avid gardener. Featuring: • 3 bedrooms • 1 bathroom • Office • Sunroom • Wood heating • 1 acre block • DLUG • Workshop • Fully fenced This place is a must inspect for anyone looking for a generous home on a large 4,047 m2 block. Please note the residence is currently tenanted at \$350 per week. Call us today to arrange an inspection.
