Located only moments from all the action of High Street Shopping Precinct, Barwon River and within close proximity to Belmont Primary and Secondary Schools, this fabulous home offers a mix of modern finishes and a low maintenance lifestyle. Step inside to the spacious open-plan living and dining area featuring polished timber floorboards. Flowing into the heart of the home, the light and bright kitchen includes stainless steel appliances including 900 mm freestanding stove/oven and plenty of bench space. Featuring a private north-facing undercover alfresco area perfect for entertaining and enjoying the afternoon sun. A further front courtyard could double as further entertaining space or off-street parking for the van, boat, or extra car space. Completing the home is three good-sized bedrooms, master with walk-in robe and ensuite. Main bathroom, with separate shower and bath, services the remainder of the home. Also featuring ducted heating throughout, split system cooling, solar panels, and double remote garage. Inspection is a must, an opportunity like this in one of Geelong's most popular suburbs won't last long!
