\$600,000

Introducing supreme function and versatility across a layout exaggerating natural light and space, this comfortable two bedroom unit delivers a peaceful living experience only moments from both Frankston High School and the Foot Street shops. Boasting private proportions, a tranquil ambience translates across distinct living and dining zones where ample glazing helps connect the indoors with a generous rear deck and compact courtyard garden setting. A practical kitchen design of original character encourages conversations to flow between the zones, while a breakfast bar, gas cooktop and wall oven complete the functionalities. An updated bathroom with tub and ample storage services both guests and family, with ensuite access to the master bedroom complementing a walk-in robe. Plush carpet continues into the second bedroom, where built-in robes provide young children or guests with space for their belongings. Add to your portfolio or leap into property ownership with this comfortable home, presenting with reverse-cycle air conditioning, gas wall heating, dedicated laundry with rear and garage access, single garage with automated door, and established gardens. Placed within paces to Frankston High and Overport Primary Schools, public transport and local reserves, a convenient address ensures easy freeway access for those with a city commute. Should you require any further information, please do not hesitate to contact Ellis Schofield on 0431 063 163 anytime. Please note Photo ID is required for all inspections.
