This stunningly designed residence displays a sleek fusion of creative design, flawless finishes and effortless in/outdoor living, this unique home is a sophisticated family haven in a sought-after inner west setting. Its spacious interiors and luxurious designer aesthetics perfectly complement the demands of a privileged lifestyle. Over four levels with high ceilings, the intelligent layout is a bright and airy use of space. Open design lounge and dining area integrate a stunning European kitchen and flow to a selection of alfresco terraces. Every detail of this designer home is quality, with seamless contemporary lines, exceptional decor and a perfect interplay of natural light create a stunning effect. Modern hardwood timber flooring, European appliances, LED lighting, custom made cabinetry and CaesarStone, internal laundry and European fixtures/fittings are all included. All bedrooms have walk/built-in robes and ensuites. Two studies provide flexible dimensions and ample storage is available. Norton Street cafes and eateries are within a short stroll, and the home is close to off leash parklands, and Orange Grove weekend markets. • Three bedrooms, all with walkin's/built-ins & en-suites • Two studies, to work/study from home • High ceilings & hardwood timber flooring • Indoor /outdoor flow with multiple alfresco terraces • Close to shops, cafes, schools & weekend markets
