\$550.00 pw

The BCM team are excited to present this large 2 bedroom apartment in central Schofields. Light-filled and freshly painted with new floorboards throughout, it is unlike any other apartment currently available in this price range. With 112sqm of floorspace and quality inclusions throughout, including stainless steel appliances and caesarstone benchtops, this home is ideal for investors or first home buyers. Being a modern building, all lighting is voice-activated and supported by motion sensors, simply by using an app on your smart phone! The air-conditioned, open plan layout provides occupants with the opportunity to easily entertain guests, with a lovely large lounge area opening onto the balcony which enjoys views towards the Blue Mountains. Whilst the master bedroom includes an ensuite, the second bedroom features access to the balcony. Both feature mirrored built-in robes and vertical blinds. Secure parking for one vehicle, as well as a lockable storage cage, is available within the secure basement. Located on the highest level of a secure complex within walking distance of Train Stations, Schofields Public School, Woolworths and the new Coles about to commence construction. Please register online for an inspection.
