Front Row Whale Watch Unit 28

A classic Straddie Idler, spacious living and sublime views.

Life is here to be lived and you're really living in this rare and sought after front row unit in the premier Whale Watch complex.

With these views, you can just watch the world roll in, Main Beach's majestic waves, the surfers, spectacular lightning storms, dunes all the way down Main and off in the distance on a clear day you can see as far as the Gold Coast. Or, sitting high in the dunes, you can just relax and take in the endless dance of the sea as the backdrop to your day.

It's not called "Whale Watch" for nothing. The sight of the migrating humpbacks slicing languidly north up the 30km long Main Beach is at once awe inspiring and a privilege to realise we share the world with such a majestic creature.

With 3 bedrooms and 2 bathrooms, this spacious 173sqm unit has room for a whole family. This is some of Straddie's easiest living with lift access direct to your front door from the secure undercover parking area. The complex is well managed and this is an attractive holiday destination so there is plenty of scope for income generating, holiday investment here.
