This bright sunny ground floor home feels more like a house than an apartment. With its wrap around balcony, lovely tree scape and water glimpse, this one is a must to inspect. Situated on the ground floor, while still having elevation to all its surroundings allow the unit to have a great leafy vista from all windows, lots of light to flood in and cooling sea breezes to sweep through. Enjoy the immediate leafy surrounds, the water glimpses, the views of Tomaree and peace and quiet found here. The wrap around balcony allows the indoor outdoor floorplan to flow with sliding doors stepping out from the living, dining and two bedrooms. The open plan dining and living is ample with the renovated kitchen spacious, bright and airy. All three bedrooms offer built-in robes and an ensuite is found off the master bedroom. There is plenty of storage off the hallway and an internal laundry. For parking there are two generous parking spaces with one long enough for a boat, van or large SUV. At the rear of one of the car spaces there is a large and tall secure store room that will allow all the kayaks, bikes, camping gear and more to be kept safely. Situated in a quiet location where you can park the car and walk to everything. You'll have plenty of time for fishing, swimming, shopping, dining and the movies as they are all within close walking proximity. Run don't walk as this one will not last long.
